A NON-PROFIT EDUCATIONAL ORGANIZATION

newsletter fall 1976

At our annual meeting in May Nancy Alvord, President, and Marilee Ramhorst, Treasurer, were re-elected to serve during the year 1976/77. Dorothy Knudsen, Tacoma, was elected Secretary, to replace Barbara Peterson who has held that office for three years. We would like to express our gratitude to Barbara Peterson, not only for her work as Secretary, but also for her valuable help in all aspects of planning and organization and as a member of the program planning committee. She will continue as co-editor of the Newsletter.

We regretfully announce that Quentin Fisk, a valuable member and one of the directors of the Board, died last Spring.

The following members will serve on the Board of Directors in 1976/77:

Officers: Nancy Alvord, President
Dorothy Knudsen, Secretary
Marilee Ramhorst, Treasurer

<u>Directors:</u> Virginia diCicco	Sally Parks
George Doczi	Barbara Peterson
Pat Lantow	Merria Quigley
Marilyn Lee	Michael Storrie
Nicoletta Misch	Ali Willeford
	Bill Willeford

Thanks to a generous donation of one of our members we have been able to rent an apartment where we can keep our library, conduct our monthly meetings and gather for study and discussion groups. The apartment is located at

2423 NE 54th Street, Seattle 98105

We are now in the process of making a catalogue of our books and of setting up guide lines for the use of the library, which will be available to members. As soon as these organizational details are clarified we will send out a special announcement to our membership. We have the beginnings of an excellent library containing, among other Jungiana, the complete Collected Works of C. G. Jung. Our most urgent need just now is help from our members. We need more books (tax-deductible gifts to FJPN); we need help with cataloguing and we need a librarian. We hope that those members who are willing to become more active in our society will come to our first monthly meeting in October and offer their suggestions as to the kind of contribution they would like to make.

We will install a bulletin board with relevant information about study and discussion groups and about the activities of other Jungian groups. Special consideration will be given to events in the Northwest, especially programs of the Vancouver, B.C., and the Portland groups. The Portland group is conducting a very interesting program this Fall with a lecture by William Willeford on September 18 and a workshop with Jim Hillman and Pat Berry on December 3-5. For information contact Karl A. Marlantes, Program Chairman, 1020 S.W. Broadway Dr., Portland, Oregon 97201.
