

Endorsement for Andrés Rodríguez' *Book of the Heart*

In *Book of the Heart*, scholarship, led by love yields a passion of furious vigor....If your sou is thirsty, a good hearty draught of this book will lead you into communion with Keats's soul. I loved this book! I openly admit that the final chapters were read slowly, my vision blurred with tears. There is eros in these pages, between these covers. I invite you in

Russell Lockhart,
former Director of Training,
C. G. Jung Institute of Los Angeles,
Author of *Words as Eggs* and *Psyche Speaks*
